How does the movie differ from Greek Mythology?

DIRECTIONS: Remember the movie, "Clash of the Titans" (COT) is BASED on Greek Mythology but not all of the stories are accurate or identical to the real Greek Myth. Take notes during the movie. Then create a Venn Diagram to answer each question.

1. What is the difference between the myth of the Medusa in the movie and the actual Greek mythology story? What sprang from Medusa's blood in the movie? In actual Greek Mythology what is said to have come from her blood?
2. How is the story of the Cracken different in the movie, Clash of the Titan from the Greek Myth?
3. How was Cerberus different in the movie from Greek Mythology?
4. Many of the characters in Greek Myths share the same characteristics of modern day characters. What characters today are based on these mythical creatures?

i.e.

Devil, Freddy Kruger, vampire = Hades
Grim Reaper = Ferryman on the River Styx
Dog in Harry Potter movies have several such as Cerberus
Ursula in Little Mermaid = Cracken
Queen in Sleeping Beauty = Hera
